Soil composition:	loess & gravel
Climate:	pannonian, continental
Training method:	Guyot
Age of vines:	5 - 15 years
Cultivation method:	biological-dynamic according to respekt-BIODYN

Tasting note

The opening hiss is followed by intense foam, a grapey aroma and creamy mousse on the palate. Freshly pressed sweet grapes with a splash of lime juice and some spicy acidity. Extremely refreshing with a long, sweet-fruit finish. A delightful aperitif.

General fact

Residual sugar:	14 g/100ml
Acidity:	15,82 g/l
Available in:	0,75 l
Best before date:	17 th September 2024
