Pre-clarifying:	sedimentation 36-48 hours
1. Fermentation	spontaneous fermentation in wooden barrels at 18-22° C, 2-4 weeks, then malolactic fermentation
Aging:	2018: in small wooden barrels on full lees for 12 months and on fine lees for further 8 months in big wooden barrels 2019: in small wooden barrels on full lees for 12 months and on fine lees for further 8 months in big wooden barrels
2. Fermentation	
Bottling:	20.08.2020
Lees aging:	at least 36 months on lees
First disgorgement date:	September 2023
Dosage:	0 (zero) g/l
SO2 addition:	15 mg/l after malolactic fermentation - before bottling, at disgorgement no addition of sulphur, SO2 free not determinable (<10) mg/l - 21 mg/l total
Bottling aging:	recommended between 12 & 36 months after disgorgement

## Tasting

Tiny bubbles that linger on and on. This sparkler shines with a golden yellow hue, and exudes delicate aromas of oatmeal cookies, fruit loaf and honeydew melon. The mouth-filling mousseux, so rich and full, harmoniously coddles the delicate extract sweetness, balanced acidity and the complex, multi-layered flavours on the palate, including apple compote, plum tart, dried dates and almonds. Smooth and very long, delivering a delicate citrus finish. An ideal wine for a banquet celebration - from the aperitif to the cheese buffet.

(tasted by wine academic Johannes Fiala)

## Food recommendation

A fine accompaniment for all dishes.

Maturation potential:	from disgorgement date up 3-5 years
Vegan:	Yes

Alcohol: <b>12 %</b>	Residual sugar: <b>0,8 g/l</b>	Acidity: <b>6,4 g/l</b>	Total SO2: <b>28 mg/l</b>
